Dear Pratt House Member,

Spring is here, and that means our annual membership drive is underway! We would certainly love to count you among the Center’s family again this year. The generosity of individuals like you helps support our programs of education and outreach throughout the year. Your tax-deductible contribution helps make up the difference between the prices we charge and the true cost of our programs.

As a member, you will receive our informational newsletters throughout the year, which highlight our recent events. You will also be the first to know about our upcoming events, such as open art shows, adult and youth program sign-ups, performances, and more. Additionally, you receive a \$5 discount on all classes and lessons offered at the Center, just for being a member!

This historical building could not thrive the way it does without your support. The small cost of a membership has a huge impact on the Center’s ability to offer the local community classes and programs.

Kindly return the bottom portion of this page and your membership renewal to the Center. Thank you for your support!

Please return to:

Dodge Pratt Northam Art and Community Center
 106 Schuyler Street
 Boonville, NY 13309

Please count me as a member of the Dodge Pratt Northam Art and Community Center!
